Rebound WA

Enabling WA's disabled community

Charity Golf Day

2017 Event Prospectus

General Information

We invite you to join us at Rebound WA's Annual Charity Golf Day at the exclusive Cottesloe Golf Club to raise valuable funds for people with a disability in Western Australia.

Businesses are also afforded the opportunity to gain brand exposure and recognition through a range of sponsorship packages.

Teams of four will spend the day on the course, with lunch and soft drinks included, followed by a relaxed presentation function, which includes guest speakers and team presentations.

Rebound WA

Rebound WA is a not-for-profit, charitable organisation which provides a range of programs for people with a physical disability of all ages in Western Australia.

Our primary objective is to ensure that people with a physical disability have the opportunity to fully participate in society and achieve their full potential.

Our role starts within the hospital system (Princess Margaret Hospital for children and Fiona Stanley Hospital for adults), where our staff meet with people who are either born with their disability or have acquired them through accident or illness.

We engage people at their lowest point, show them how they can lead a full, active, healthy and enjoyable life and help facilitate a positive future for them and their family. We do this by providing access to a range of accessible social, recreational, sporting and rehabilitation activities.

For more information please visit our website: www.reboundwa.com

About The Course

Cottesloe Golf Club prides itself on having one of the best venues in Western Australia for a Corporate Golf Day. With unparalleled views of the ocean to the west and city to the east Cottesloe's 18 hole course is widely regarded as one of the finest tests of golf in Western Australia.

Founded over a century ago in 1908, the Cottesloe Golf Club established its first links course close by the sea in the then sparsely populated Perth suburb from which it took its name. Since that time, the club has been a prominent part of the history of golf in Western Australia and has played host to events including the Amateur Golf Championships of Australia, the Australian Junior Interstate Series and the WA Open Championship.
