

## Sir George Bedbrook & Frank Ponta Grants

Rebound WA plays an important role in rehabilitating, re-engaging, and re-connecting people with physical disabilities, so they have an opportunity to live a full and happy life.

Rebound WA provides financial assistance to members with a disability through two annual grants, which aim to encourage participation in social, recreation and sporting activities:

### **Frank Ponta Grant for Junior Members**

(under 18 years at time of application)

### **Sir George Bedbrook Grant for Senior Members**

(18 years and over at time of application)

Grants will be awarded to applicants who clearly demonstrate how the funding will help them and why they need the financial support. With limited funding available it is imperative that funding is directed to those who most need it.

The number of members who can be awarded scholarship funding each year is not limited and each application is assessed on an individual basis, with **\$30,000** available to members annually.

Some examples of the costs which could be claimed through the grant program are:

- Participation in recreation or social programs (scuba diving course, fishing trip, golf, etc)
- Travel and accommodation to compete in sporting events
- Coaching costs
- Participation and training costs (entry fees, gym membership etc)
- Athlete Agreement costs for members who have no means of fundraising (e.g. new migrant with no language skills and/or networks)

Please note that specialised equipment is not eligible, unless it cannot be funded through other sources eg: NDS, NDIS, ILC (evidence to be provided).

If you have any queries regarding eligible items, please contact Hayden Lewis  
On via [hayden@reboundwa.com](mailto:hayden@reboundwa.com) prior to submitting your application.
